

How to get a £100 grant for start up costs for your Interconnect Student Group

Interconnect is offering women SET student groups in Scotland a one-off grant of £100. This money can be used to help get the group going whilst you are looking for funding elsewhere. It could be used, for example, for food at your events, travel to meet other student groups or attend relevant meetings, leaflets, posters or banners. You need to complete the form below to apply for the money.

Once approved, the money will be paid into your Student Association account, (unless your group has its own bank account). It will be paid by a bank transfer from Edinburgh Napier University. You should spend the money on activities or resources for your group by the end of the summer term 2010. If you aren't sure how to fill this form in, please contact Jenny Tizard, j.tizard@napier.ac.uk, 0131 455 5103
